Dear Valentina,

Thank you for submitting Participant Viña Concha y Toro's Green-e® Energy Verification Audit for Viña Concha y Toro Direct product for Reporting Year (RY) 2023.

Based on the materials submitted and reviewed, you have demonstrated compliance with Green-e® Energy verification requirements for RY2023 certified sales. We reserve the right to require additional documentation or replacement supply should any relevant issues come to our attention.¹

If you have any questions, or need additional guidance on how to complete next year's audit, please contact Green-e® Staff by email at verification@green-e.org or by phone at (415) 568-4281.

Sincerely,

A handwritten signature in black ink that reads "Alex Pennock".

¹ Due to the Oregon PUC's decision under Order (No. 24-002), implementing HB2021, CRS has updated our Standard, adding Oregon Appendix 10. We cannot fully verify Q1/2024 RECs until CRS receives OR DEQ's reporting data available after October 2025. Please see our Standard for more information: <https://www.green-e.org/docs/energy/Green-e%20Standard%20US.pdf>. If supply used in this product is associated with electricity reported for compliance with HB2021, you will be obligated to take corrective action as directed by CRS staff, which may include procuring replacement supply.
